Some of these torts affect everyone but you only tick off any that you can offer personal information about suffering. If your story is long, put "see Note #" which continues at the end on a second page. Use the number of tort. To add some more on Tort 4, you put "See Note 4." The third page are your Notes.

- 1) No Doctors. Tell if your clinic/family doctor refused for non-medical reason.
Doctor X refused because...
Doctor Y refused because...
Details of how a doctor "cut my prescription" would be good.
- 2) Tell if it would have helped to have had a DIN
- 3) Unreasonable yearly renewal pains.
Especially if you're permanently ill, explain waste of time for you and doctor, how much it costs each time, doctor happy?
- 4) If you didn't destroy your spare, say so. Otherwise, you're threatened by keeping it anyway. And it would have cost you \$X to destroy Y grams.
- 5) If you had your permit revoked for a non-medical reason.
A Kammermans East Coast victim would be useful.
- 6) The illegality of finding and exchanging different strains for different pains has caused Stress from penal jeopardy and difficulty in finding new strains..
- 7) If you got refused, explain how D.G.s don't like small licenses.
- 8) Limiting 4 gardeners causes greater costs... Explain how you could do better with more growers at your garden.
- 9) Number of plants the wrong parameter while under storage limit. Complain about being forced to grow big plants and no seasonal economies nor respite from constant gardening. Must grow year-round instead of once a year. Beef about it.
- 10) Prohibiting help caused me harm in that:
I can never leave.. Big Pots.. No reason.
- 11) If your Criminal Record is in the way of getting a license or DG, explain why it would not make you do anything illegal.
- 12) LP must cancel. Tell if you've been cancelled.
- 13) LP can cancel for business reason. Tell if.
- 14) LP not give medical document back. Tell if they.
- 15) Tell how the 150-gram limit has harmed you. How many monthly shipments would be needed? How much courier cost? How it's impossible for greater than 150 daily dosage!
- 16) Explain how you can't afford L.P. prices
- 17) Explain if you asked for and can't get juice, leaves or oil.
Go ahead and call them to ask before completing the form.
- 18) Tell if your doctor told you he got pressure from H.C.
- 19) Tell how many weeks it took to get your grow permit.
- 20) Tell if you have no one legal to transform your pot for you.
- 21) Tell if you grow hemp how silly it is to have a low THC cap.
